Re: Notice of Oral Ex Parte Communication, In the Matter of Review of the Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers, CC Docket Nos. 01-338, 96-98 and 98-147

Dear Ms. Dortch:

On November 20, 2002, Bob Quinn and the undersigned, representing AT&T, met with Matt Brill, Legal Advisor to Commissioner Kathleen Abernathy. The purpose of the meeting was to discuss the detailed and significant economic impairments faced by CLECs in the provision of service to residential and small business customers in a UNE-L environment. All comments at the meeting were consistent with AT&T's previously-filed comments in this proceeding and with the attached presentation materials.

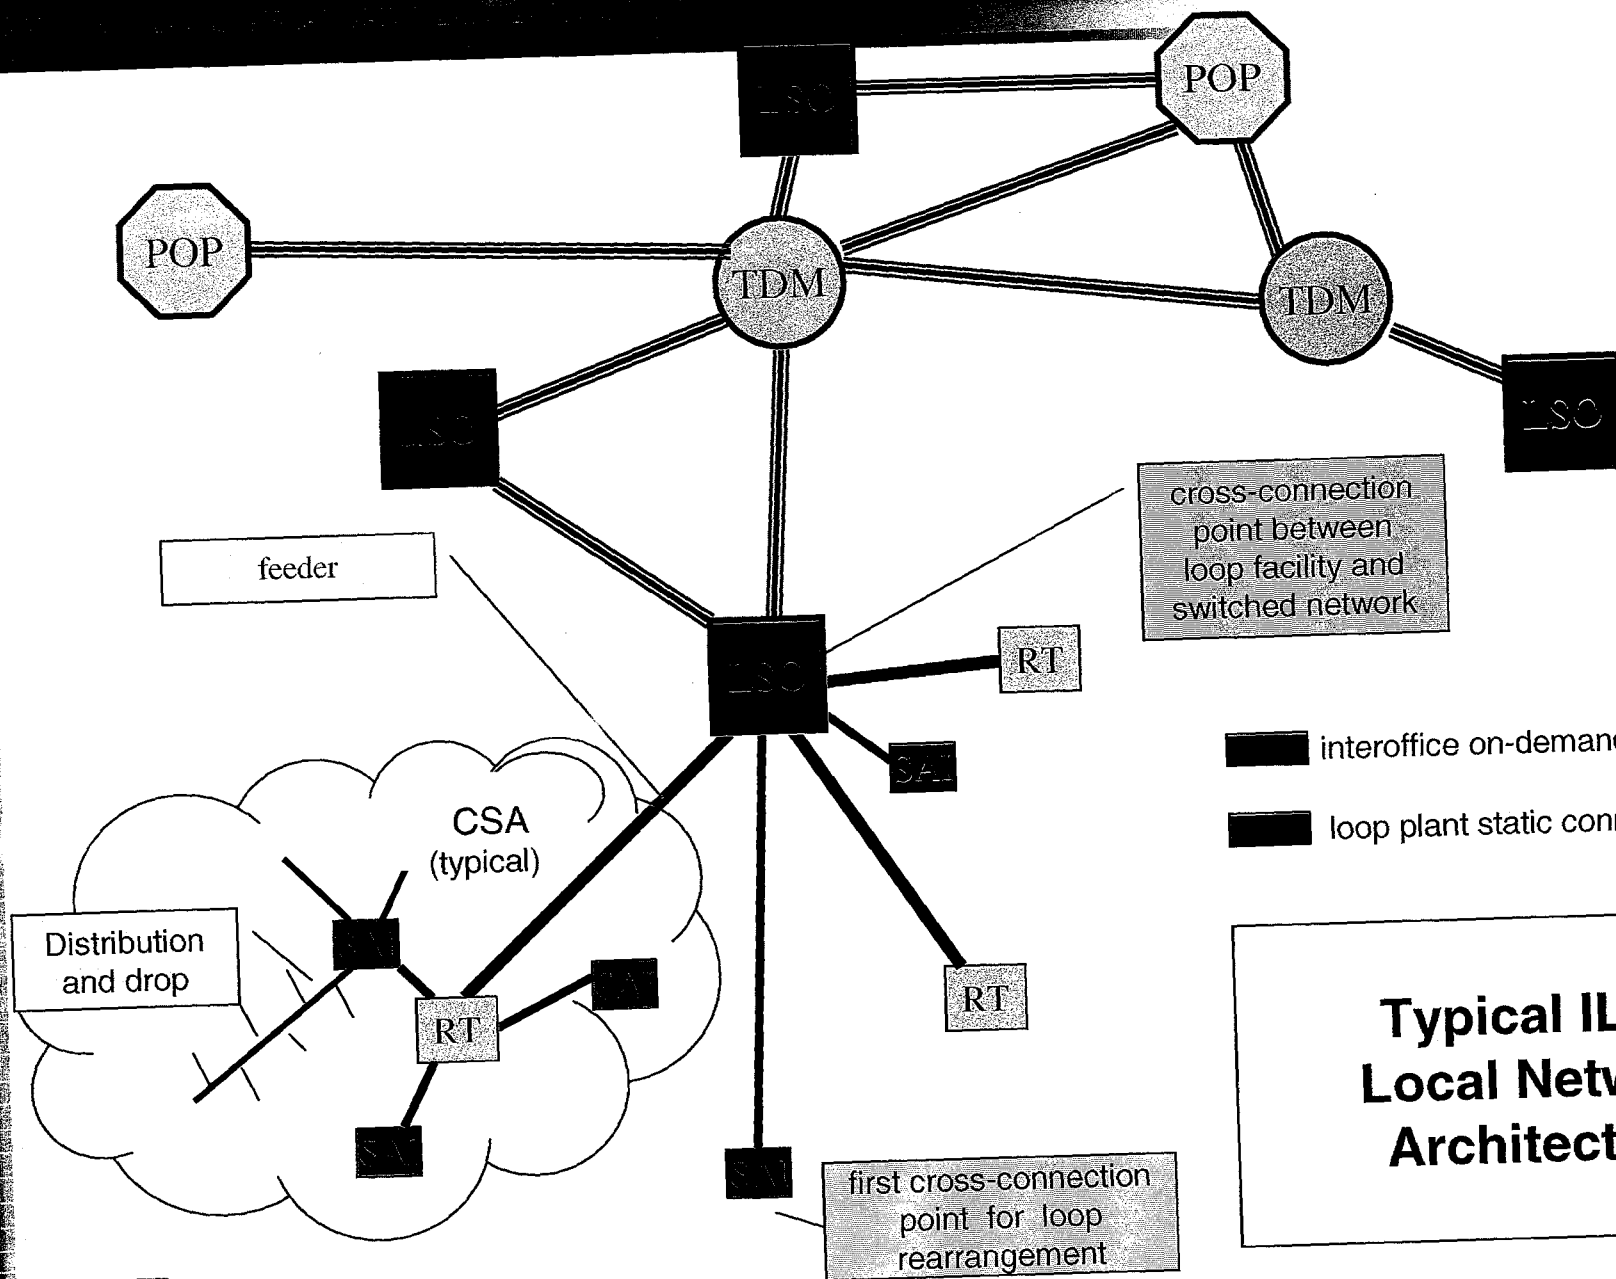

Consistent with Commission rules, I am filing one electronic copy of this notice and request that you place it in the record of the above-referenced proceedings.

Sincerely,

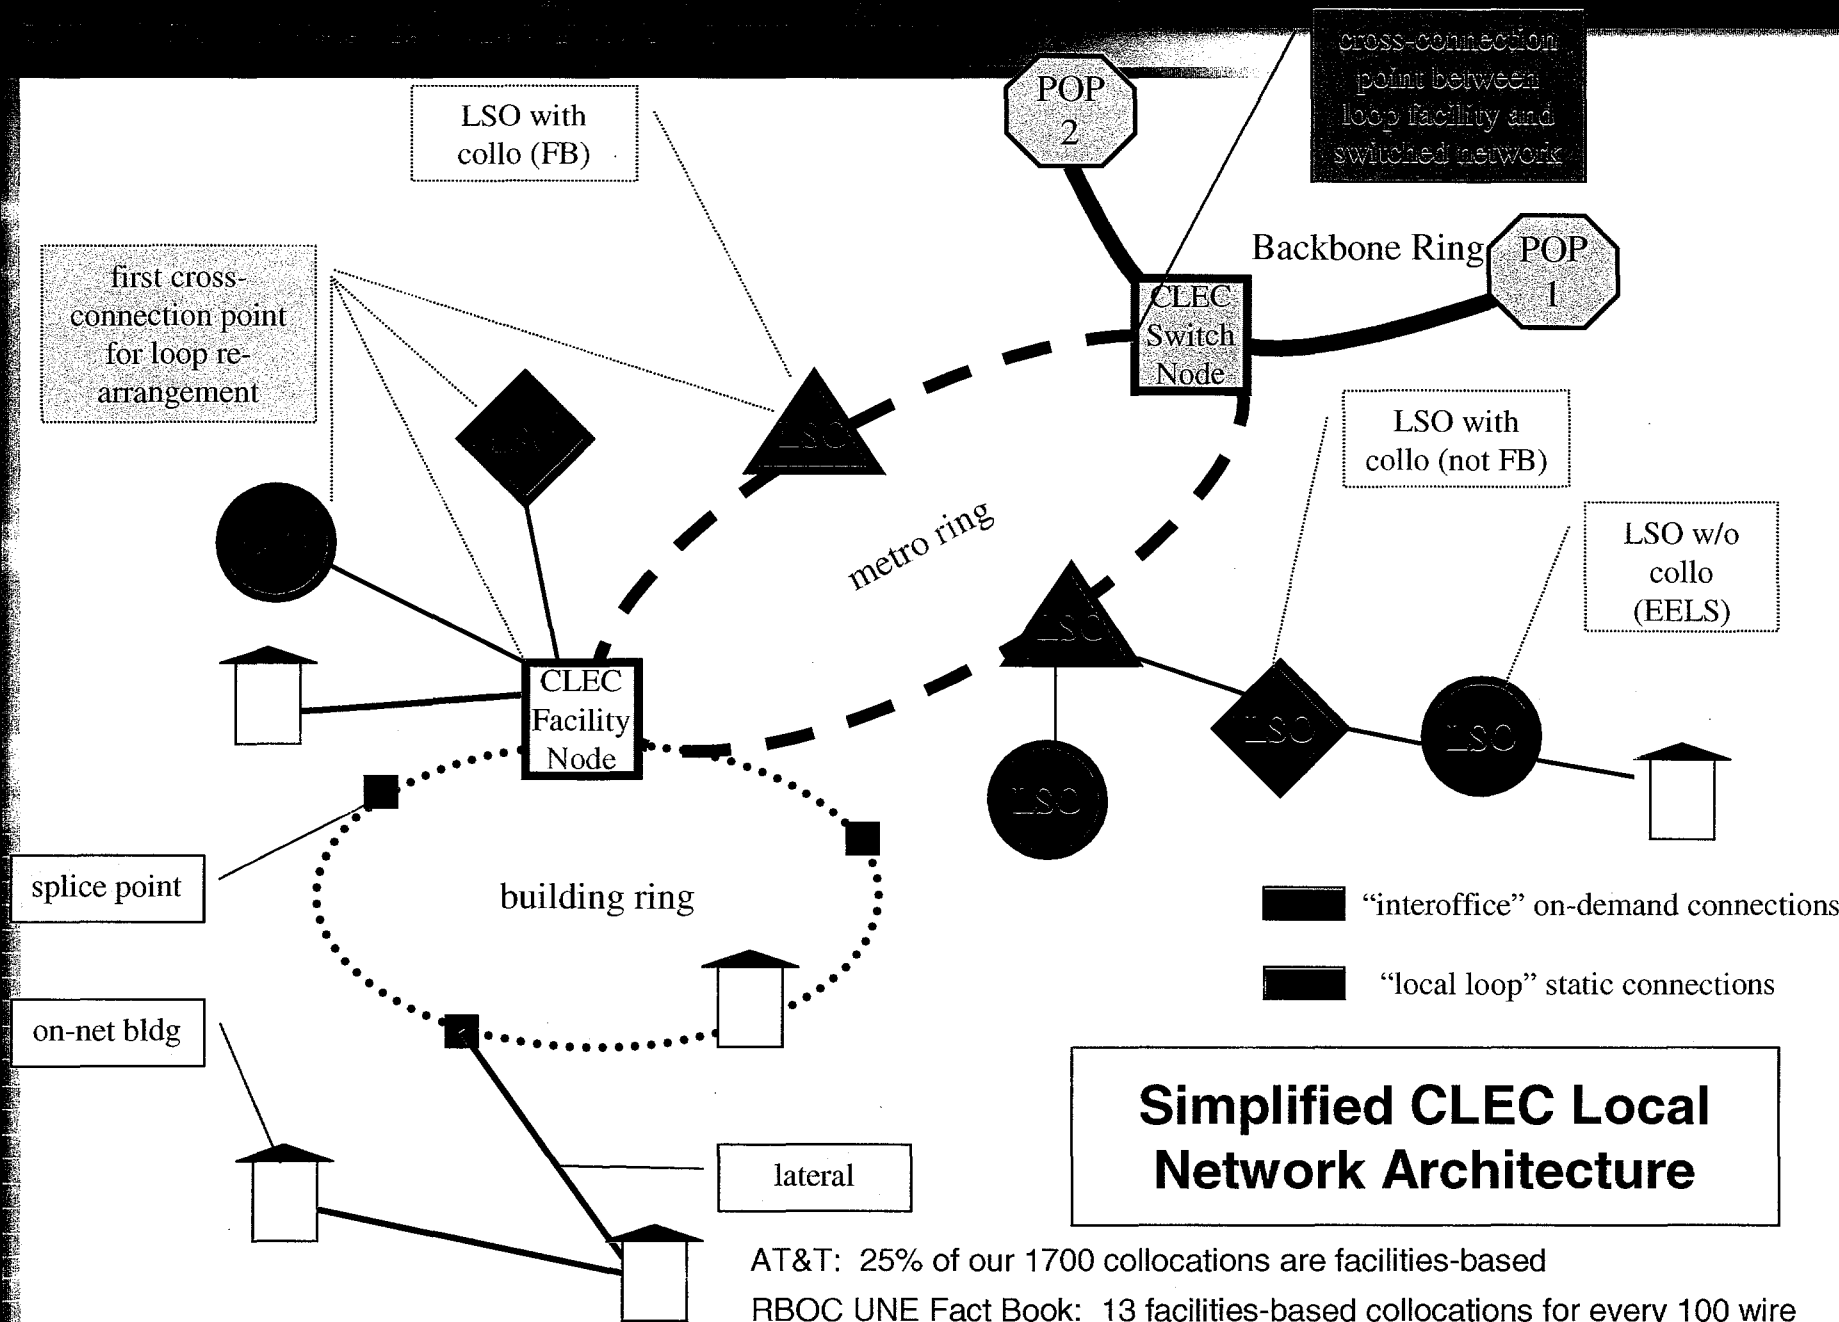

A handwritten signature in black ink, appearing to be "JM" followed by a horizontal line.
